Steve - I sent out an email a while ago canceling July's meeting. We are definitely planning an August meeting.

I probably will not know everyone on the tour on Aug. 28th until week before. I'm expecting some La Plata County Commissioners and their staff.

Peter,

Please let me know if you are still anticipating brining up visitors to our operations at the R n B on August 28th, and if you would, please let me know the individual's names and who they're with.

I am planning to be there that week.

Thanks,

Steve

P.S. I will not be able to attend the ARSG meeting this week. In fact, I have not found an email from you regarding the meeting this week.

Subject: Visiting Red & Bonita

Steve – I've got a reporter for Durango TV, a local TV station that wants to go up to Silverton this Friday with me to look at some mine sites including the Red and Bonita. I don't know if anyone will be working there yet, but wanted to give you a heads up. Also, the La Plata County Commissioners wanted a tour similar to what we did last week. We are planning on Friday, August 28th. So you're are welcome to participate. I assume you may be working at both the R&B and Gold King at that time.
